Carole Ward, Ken Barnsley, Gabby Houlihan, Muddassir Shah, Karen Ramsbottom, Karen Willilams, Lauren Jackson, Jeanette Pearson, Jane Partington

Hello and welcome

James Hadleigh welcomed everyone to the meeting. Angie Allen co-chaired the meeting with James Hadleigh.

We all said our names.

We said what the traffic light cards mean:

- The red card is to stop the meeting, or to vote no
- The green card is to vote yes. Or you can put it in the air when you want to speak. A corner has been cut off for people with limited sight.

We looked at the minutes from the last meeting in October.

Everyone had received the minutes from the last meeting held in October and they were agreed as a true and accurate record.

News Items and Events

James said that today's meeting was our Christmas meeting, that we would be having a Christmas raffle and there were 23 prizes. Also, James said that we would be having a small consultation about future provision.

James spoke about the North West Regional Conference, at Blackpool, this year the Conference is called Rise up, One Voice, Stronger. The Conference will be held from

Tuesday 26th February to Thursday 28th February 2019 and James has booked 5 places. James asked for names of people interested. James said that he had received donations from Blackburn with Darwen Borough Council and Blackburn College and also the money we had raised throughout the year (£183.45) by holding raffles, to help with the cost. Alan Pickup asked whether any day delegate places would be available if people could not stay at Blackpool. James to make enquiries.

Transforming Care

We welcomed Kelly Taylor, Children & Young People Strategic Case Manager, North West. Kelly gave a presentation on Transforming Care, Children and Young People, Care Education and Treatment Reviews.

We spoke about the need to have a panel of people with life experience with Learning Disabilities to support children and young people. These people would be known as experts by experience. The experts by experience would be supported and would not work alone with a young person. Angie Allen said she would like to be on the panel. Paul Lee said that you could become an expert by experience through Pathways.

Transforming Care looks at the quality of life

a young person has and make sure they are helped and supported in the least restrictive way.

We discussed the different ways people could get support, through Care Network, Apprenticeship Programmes, Social Workers and GP's, Creative Support.

Kelly Taylor said she had been working with GP's around appointment times. If you need a longer appointment time this can be requested and we spoke about Health Passports that these can be used at GP's. We also spoke about GP training on Learning Disability awareness, Julie Clift had done this in the past and hopefully more training will be taking place in the future for GP's and nurses.

Rosemary Molyneux and Rachel Turner spoke about 24 hour Supported Living and the different support available.

Kelly Taylor spoke about Care Education and Treatment Reviews and that everyone should have an annual health check.

Supported Living Vacancies

Rosemary Molyneux gave an update on Supported Living. A consultation had been held at Blackburn Library. Rosemary confirmed that the finished report was

currently being looked at by Blackburn with Darwen Council Legal Department . Rosemary will report back at a future Board meeting.

The Self-Assessment Framework

Rosemary Molyneux told us that the Self-Assessment Framework questionnaire for Blackburn with Darwen needed to be completed by 10th December, however, she had received extra time until the 17th December. Rosemary said that many people attending today's meeting had helped her complete the questionnaire.

Rosemary explained that the information received would help us to ensure the correct services were put in place so people's needs were met. We spoke about Learning Disabilities, Autism and people also having physical disabilities.

Rosemary Molyneux shared with us the Greater Manchester Learning Disability Strategy 2018. Blackburn with Darwen and East Lancashire need a Strategy Plan to look at what the people of Blackburn with Darwen need locally and we spoke about how this could be achieved, through the Sub-Groups or creating a specific Group. A suggestion was made that a questionnaire could be completed at the next Board meeting.

Consultation for future Provision

James said that we would have a quick consultation on future provision of services.

The consultation questions were on each table and James asked that a volunteer complete them. The 5 questions were:

What good things are happening locally?

What is missing?

What could be done better?

What particularly would you like to see?

How do you think we could do it?

James will feedback at a future meeting.

Connect Update

Cheryl Sandford spoke about Connect and reminded everyone about the free transport to this meeting.

Cheryl said spoke about the updated Activity List with Transport details and copies were available.

Cheryl gave an update on the recent trip to Manchester Christmas Markets.

Cheryl spoke about the introduction to bus travel and told us about the success of the recent Christmas Celebration visit to Oswaldtwistle Mills.

Cheryl has now arranged another visit to Oswaldtwistle Mills which will take place on the 23rd April 2019. This will be a St. George's Day celebration and will include a meal and entertainment at a cost of £16.00 per person. A £5.00 deposit was needed to be paid by the end of January, to Cheryl, Carole or Michelle.

Cheryl said that Connect would be funding the transport to the North West Area Conference .

Cheryl spoke about Vulnerable Adult Cards.

Carers Updates

There were no updates to report.

Future meetings will be held at the Enterprise Centre and free transport will be provided.

Meetings will have a theme:

13th February - Prevention

10th April - To be Confirmed
